Parties

A birthday party by the lake is an exciting and adventurous way to celebrate for both children and adults. We pack these sessions full of games and challenges, with basic tuition to get you started. You can also make your occasion extra special with tailor-made themed parties for an additional fee.

Send off the Hen or Stag with an exhilarating watersports session or land based challenges. There is a huge variety of local accommodation, and the nightlife of Reading is just 20 - 30 minutes away by train or car. Choose a selection of any of our activities for an event to suit any budget whether you are after a quiet celebration or a bold farewell.

Corporate

Reward your hard working team, get distant groups together and toast a successful year. Our corporate events can mix meetings with adrenaline filled sessions or relaxing activities to suit any temperament.
