

Gold DofE / King Scout Award

Guidance for Residential Approval Form

The Alps event trip could be used as Residential for Explorers / Network members registered with the Award and 16-year-old and over.

We will be offering an adapted 5-day experience for those who register for the Residential option to ensure the Alps25 experience falls within all the criteria for the awards. During the 5 days, some of the programme and camp set up for the participants wanting to use it for residential could differ slightly from the rest of the group.

Note: For participants / leaders who have been on the Alps trip in 2022, as the environment won't be unfamiliar, it would be better to consider another experience for residential.

As the Residential is meant to take you out of your comfort zone and offer you the opportunity to meet new people, it is important that you list the people from your unit who are also considering using the camp as their Residential.

To ensure that your proposed Residential will fit the DofE / King Scout Awards requirements [please complete and submit this form](#).

Save it with your name in the title and send to Alps@berkshirescouts.org.uk

Once approved, we will return it to you to upload as evidence for DofE.

The Alps25 even will also count towards other aspect of the King Scout Award and for those working toward Platinum or Diamond. We will cover these with the participants during the camp.
